

East Bay Housing Organizations (EBHO) Presents

17th Annual Affordable Housing Week, May 10-19, 2013

“Empowering People, Strengthening Communities”

2013 Housing Sabbath Congregation Sign-Up Form

East Bay Housing Organizations’ Interfaith Communities United program
invites you to participate in this year’s Housing Sabbath!

During your worship services the weekend of May 17-19, would you host a speaker to share a testimony about affordable housing or commit to preaching and/or using materials in your worship service to lift up the need for housing as a human right in our community?

Housing Sabbath is part of EBHO’s Affordable Housing Week, designed to raise the visibility of affordable housing needs, issues, and solutions; promote the good work of our members and allies, and develop new strategic coalition and campaign partners. Housing Sabbath is a critical element of that effort, with dozens of congregations having participated over the years, **and this year, your participation is vital!**
