We are proud to support East Bay Housing Organizations’ 16th Annual Affordable Housing Week!

Sierra Meadows, A HUD 202, LEED® Gold certified project developed by Christian Church Homes of Northern California

“Sunseri’s contributions to the mission of affordable housing for seniors includes not only excellent quality craftsmanship, but also their willingness to be on the development team and contribute to broader issues such as site review, feasibility, planning commissions, cost containment, governmental submissions, and anything else that might come up. We are extremely pleased with their work and look forward to other projects with Sunseri in the future.”

It's a business issue.

During business hours, we are tellers, clerks, secretaries, lending officers, supervisors and managers. After business hours, we are neighbors, volunteers, Scout leaders, Chamber of Commerce members, and Little League coaches.

Helping to build a better community for all of us. We are, above all, a friend when you need us.
